GUARD REPORT

REMARKS

Nothing unusual to report except the usual misdemeanors. During the night there was some disturbance namely a firecracker. The bugler went off duty at 6 P.M. for some definite reason. While the C.D. was at football practice someone kept blowing the bugle calls without the C.D.'s permission. However they were approximately on time.
Chambers, W. is still A.W.O.L. The C.D. and some officers were playing ping-pong during night study hall after which the C.D. left school.

The Staff wishes to thank everybody who aided us in making this thin book possible. No excuses are offered for the thinness of our 1945 offering. Considering the late start that we had and the labor and materials shortage, we offer what we have without apology. The book will be to each individual student a reminder of the school year of 1944-1945, the last war year, we hope.

In particular, do we wish to thank Prof. C. I. Brown, who, as business sponsor, was of great help in making the book pay its way. Thanks also go to Miss Edith Biles for clerical and critical assistance, and to Prof. J. H. Eargle, who aided the circulation department. In addition, we are grateful to our many advertisers, old and new.

Academy boys are justifiably proud of the school's band and concert orchestra. Credit for this year's successful achievements in the field of music goes to each individual boy in the band, to the able director, Jimmie Klein, and to Col. W. T. Bondurant, Academy president, who furnished new instruments and provided other facilities for the band.

The boys played for the wounded soldiers at Brooke General Hospital, for the opening of the new Laurel Theater and for church entertainment.

The concert orchestra was entered in the All State Contest, held at Brackenridge High School in April. Our boys won the highest score rating of all bands in the South Texas Band Contest. In addition, the marching band provided music for the weekly dress parade and retreat reviews, and the orchestra played at chapel and literary society exercises.

WHEN YOU SAY "NO"—WHOM ARE YOU REFUSING?

YOUR WIDOW? who depends upon you to provide for her.
YOUR CHILDREN? who must have food, clothing, a place to live, and an education.
YOURSELF? who will need a Guaranteed Income in your sunset years.

The Safest and Surest way to provide all of these things, is by owning a Retirement Income Annuity, beginning at ages 55, 60 and 65.

It is the only plan on earth by which you can create an estate before you make your money.
